One Injured In Collision Of Car, Truck

Robert Daniels Hurt in Accident Wednesday Evening

One person was injured in a collision of a truck and car just south of the Windsor Junction of Highways 65 and 52 about 4:30 p.m. Wednesday. Extensive damage resulted to both vehicles.

Robert Daniels, 65, route 2, Lakeview Heights, suffered possible fracture of the pelvis and several ribs, when thrown from the car driven by his brother Ray Daniels, 67, of Ferguson, Mo.

Daniels was rushed to the Bothwell hospital in the Ewing ambulance where Dr. Stanley Fisher rendered medical treatment. X-ray pictures were taken to ascertain the extent of his bone injuries.

Trooper Bob Stockdell, of the State Highway Patrol, reported a 1950 2-ton Chevrolet truck of the Central Missouri REA Cooperative, driven by Harold W. Fredericks, 28, LaMonte, was headed north on Highway 65. A 1950 Plymouth coach was driven by Daniels and headed south on the highway and turned left in front of the oncoming truck.

The left side of the truck was struck and the front end of the Plymouth smashed. The Plymouth was towed to Sedalia by Howerton's Service Station wrecker, while the truck was driven to Sedalia under its own power.

Daniels was issued a Highway Patrol summons by Trooper Stockdell to appear in the Magistrate Court of Judge Joe Berry at Warsaw.

Says No Warning Given By Ike To Disputers

WASHINGTON (AP)—A White House official said today there has been "no ultimatum, no warning" from President Eisenhower to disputants in the steel strike.

Murray Snyder, assistant press secretary, made the statement when asked about published reports that the parties in the dispute had been given a week's deadline to reach a settlement as a result of a top level meeting here yesterday.

"There was no such action at this meeting and no such determination," Snyder replied.

Then, rephrasing his remarks, Snyder said there was "no ultimatum, no warning."

He said he knew of no plans for federal intervention and no discussion of applying a Taft-Hartley Law injunction.

Snyder also said he didn't know whether there might be another review of the situation here in another week.

Nice Discomfort

It was a pleasure to shiver slightly upon getting out of bed Thursday morning. Goose pimples are a rare luxury in July.

Partly cloudy with scattered showers and thunderstorms to night and Friday; low tonight near 60; high Friday in lower 80s.

The temperature at 7 a. m. was 68, 82 at 1 p. m. and 83 at 2 p. m. Low Wednesday night 63.

The temperature one year ago today, high 90, low 69, with a trace of moisture; two years ago, high 108, low 82; and three years ago, high 99, low 72.

Stage at Lake of the Ozarks 53.9 rise .1.

Displays Achievement Day Projects Here

Pettis County 4-H Achievement Day projects have been placed on exhibit in the Smith-Cotton High School cafeteria. These displays were made by 4-H members throughout Pettis County in the past year.

Judging will be held on the displays and ribbons given.

The dress review and good grooming judging will be done in the Smith-Cotton auditorium Friday.

Rock Island Plans Halt In Service

May Quit Passenger Trains Between KC And Eldon Shortly

JEFFERSON CITY (MPA)—Seventeen Missouri cities will be without any public transportation if Rock Island passenger service between Kansas City and Eldon is discontinued, the state public service commission has been told.

The Rock Island is seeking state authority to discontinue passenger trains 23 and 24 between Kansas City and Eldon. Replacing the passenger service would be a chicken-hauling freight service for hatcheries from February to June.

The chicks would be transported by truck to Windsor for daily pickup by a freight train to Kansas City.

Henry Reinhardt, transportation rate expert for the PSC, said six of the 23 cities now served by the Rock Island would have some form of bus service if the trains stopped running. The other 17, including Versailles, Stover, Barnett, Leeton and Chilhowee, would have no form of public transportation, Reinhardt said.

Harold A. Miller, auditor for the Rock Island, testified that the railroad is losing \$50,000 a year on its passenger service in Missouri.

A. M. Allison, manager of the Rock Island's mail, baggage, and express service, said the line would probably lose about \$6,408 a year in the proposed chicken hauling service. He said the company preferred to lose the smaller amount.

The PSC is expected to take several weeks to decide on the railroad's request. The Rock Island's proposal is being contested by the communities of Eldon, Barnett, Versailles, Stover, Cole Camp, Chilhowee and Leeton.

Threatened storms cut into the attendance as the 10th annual fair sponsored by the Tri-County Agricultural and Mechanical Society opened at the Tipton Fairgrounds Wednesday.

Sheep and hog shows in the afternoon launched the four day agricultural festival and a cattle show was on at night.

Other attractions include a carnival midway which has been operating all week, music by the Tipton High School band and electric organists. Mrs. George Langkopf of Buncheon; art exhibits, home economics and crops displays and a horse show, scheduled to open Thursday night.

The first of three horse shows will start at 8 p. m. at the fairgrounds arena. A kiddies pet parade will precede the Friday night show. The Tipton show is a member of the Little Dixie Horse Show circuit.

More than 200 hogs were on display and were judged Wednesday. Thirty-six first place awards were presented in nine breeds.

Paul Clinen, of California, took most of the top honors. He showed the grand champion boar and sow, and the grand champion boar and two gilts, all of the Chester White breed. Larry Harlan of California had the grand champion pen of four pigs; and Miss Dixie Roth of Tipton had the grand champion barrow, a Berkshire.

In the sheep division Roger Kirchner, of Syracuse swept the highest honors. Sheep from his Hampshire flock won out as champion ram; champion ewe; and a champion sire with three or more of his get.

Junior division livestock and educational exhibits are on the Thursday fair schedule. The event continues through Saturday.

Ike Nominates Hansen To Be Head of FHA

WASHINGTON (AP)—President Eisenhower today nominated Kermit H. Hansen of Des Moines, Iowa, to be head of the Farmers' Home Administration.

Hansen, a 47-year-old Republican, would succeed Robert B. McLeish, who resigned June 20 in the midst of a congressional investigation of charges that he drank heavily.

Hansen was a banker in Mason City, Iowa, but has been director of the Farmers Home Administration regional office in Des Moines since 1954.

The Farmers Home Administration makes loans offers technical advice to low income farmers. It also has a part in handling emergency drought relief programs.

Estimates Cash Used In Illinois Scandal

Springfield, Ill. (AP)—The amount of state cash involved in the state check cashing scandal was placed at approximately \$800,000 today in the first official estimate.

It was made by Atty. Gen. Latham Castle, who said he has taken the first steps to recover for the state "an estimated \$800,000 paid out in fraudulent or forged warrants" issued by the state auditor's office.

Military Center Transfer

Defense Department Also Returns Navy To Top Command Of Far East Forces

WASHINGTON (AP)—The top U.S. military headquarters in the Far East has been ordered moved from Japan to Hawaii, where it was before Pearl Harbor.

In a companion action late yesterday, the Defense Department announced it was shifting from the Army to the Navy the top command of all U.S. land, sea and air forces in the vast Pacific-Asiatic area. This too was the way it was before World War II.

Adm. Felix Stump, now Navy commander in chief in the Pacific, was designated to assume over-all leadership of American military forces in that theater when the changes become effective next July 1.

Gen. Lyman L. Lemnitzer currently is U.S. Far East commander and head of United Nations military forces. His headquarters are in Tokyo.

It was emphasized no major shifts of American fighting units are planned. Remaining in Japan will be a headquarters for U.S. forces that will continue on duty there. But the U.N. military command is to be moved to South Korea.

The Defense Department described the Far East Command changes as a centralizing and simplifying move.

In addition to ordering consolidation of the Far East Command with the Pacific Command, the department directed the abolishment of separate air defense commands in Alaska and the Canadian-Greenland northeast approaches. Effective Sept. 1, these will be placed under the Continental Air Defense Command at Colorado Springs, Colo.

Independence Mayor Burns Over MoPac

INDEPENDENCE, Mo. (AP)—Mayor Robert P. Weatherford was just a little more than miffed today with the Missouri Pacific Railroad.

He boarded a Missouri Pacific train here at 11:30 p.m., went to sleep and at nearly 4 a.m. discovered the train had covered hardly a mile in that time.

Ironically, he was bound for St. Louis where he was to meet this afternoon with Missouri Pacific officials over the cost of a siding to the city's new power plant.

Weatherford says the railroad wants \$233,510 for the job, which he thinks is far too much for the city to pay.

The train stopped as Weatherford was preparing to retire in a roomette. He said the conductor assured him there was little engine trouble and the train soon would be underway. With that assurance Weatherford said he went to sleep.

He awoke at 3:40 a.m., found the train still at Walnut Park Hill, where it had stopped last night. He dressed, grabbed his belongings and started to walk back home.

In the darkness he stumbled frequently. Dust and gravel permeated his shoes. Somewhere along the line a dog chased him.

"If I had a gun," he said grimly, "the people out there would have thought it was the Battle of the Bulge."

He finally made his way to his office—not wanting to awaken his family—and spent the rest of the night there.

"I was not in too good a humor when I got on the train," the mayor recalled, "but I was like a turpentine wildcat when I got off."

Forecasts More Rain For Missouri Friday

KANSAS CITY (AP)—More scattered showers and thunderstorms are forecast for Missouri.

They covered a wide area of the state yesterday and last night, producing falls of more than an inch in widely scattered parts of the state.

Oseola had 1.64, Pattonsburg 1.50, Buffalo 1.40, St. Charles 1.35, Troy 1.10, Chillicothe 1.08, Shelby and Stockton 1.05, St. Louis 1.04, New London .92, Macon .89, Kansas City .85, St. Joseph .70, Springfield .60, Hannibal .46 and Columbia .29.

A thunderstorm accompanied by wind and hail, caused extensive damage in Harrisonville. Telephone and electric service was disrupted.

Little change in temperature is forecast with the Friday low in the 60s and the high in the 80s.

State Operation of KC Power and Light Ends

JEFFERSON CITY (AP)—The state's technical operation of Kansas City Power & Light Co. ended yesterday when Gov. Phil M. Donnelly formally lifted state seizure of the utility.

Donnelly took control of the company under the state's utility anti-strike law July 6 when a strike threatened Kansas City's power service. Workers stayed on their jobs and yesterday the governor got word the contract dispute had been settled.

Reflections May Be Cause Of Sky Lights

Kansas Radar Picks Up 'Ball of Fire' Going East in Sky

ARKANSAS CITY, Kan. (AP)—Reflections from flickering "waste gas torches in an oil field" may have been mistaken for unidentified flying objects in pre-dawn south central Kansas skies today, authorities said.

Earlier, the Kansas Highway Patrol reported radar at the Hutchinson, Kan., Naval Air Station had picked up "a ball of fire traveling east at a high rate of speed."

A B47 was sent into the air by Forbes Air Force Base at Topeka to investigate the reports, centering around Arkansas City, Wellington and El Dorado, Kan. The pilot said he found only the torches.

"The objects stayed in the sky long after daylight," the patrol said it had been informed however, "one disappeared around 5:15 a.m., and the other a few minutes later."

Further east near Emporia, A. D. Morgan, a Santa Fe Railroad tower operator, reported seeing what appeared to be an artificial light in the sky around 3 a.m.

Merle Hayes, an Emporia policeman, said he observed the same light for about 20 minutes. To Hayes, it appeared to "come and go" like it was being turned off and on.

City Editor Brian Coyne of the Arkansas City Daily Traveler said "a brilliantly lighted, tear-shaped object with prongs or streams of light spraying downward was sighted shortly after midnight."

A second "flying object" was sighted around 1 a.m. Coyne said.

He also took issue with the military's theory that gas torch reflections may have touched off the reports. "It was not an optical illusion," he insisted, adding that other observers here agreed.

The editor also explained that the objects were under observation from 11 p.m. last night on. There were no clouds during the period of their brightest intensity, he said.

Accompanied by trooper Dick Hadsall and city police from Arkansas City, Coyne observed the "flying objects" from various locations.

He said they "did not appear to move rapidly but did move vertically and horizontally over a wide area of the sky."

"The prongs" or "streams of bright light," Coyne said, "also were observed first as directed towards the earth and then extending from the sides of the object."

He described the head of the object as being green in color or "bluish green."

Recovers Dead Body From Missouri River

LEXINGTON, Mo. (AP)—The body of Charles Sickles, 40, Lexington, was recovered yesterday from the Missouri River. He drowned Tuesday afternoon when a sand barge on which he was working capsized a mile west of the Lexington bridge.

UN Secretary Arrives In Jerusalem to Check On Israel Armistice

JERUSALEM (AP)—U.N. Secretary General Dag Hammarskjöld arrived in Jerusalem today for a check on the armistice observance by Israel and her Arab neighbors. He immediately went into conference with Premier David Ben-Gurion.

He will stay in Israel two days and then spend two days in Cairo to confer with Egyptian President Gamal Abdel Nasser.

Submits Corpses' Pictures Over Objection by Defense

Court-Martial Board Inspects Creek in Swamp

PARRIS ISLAND, S. C. (AP)—Pictures of six corpses—the bodies of six Marine recruits drowned on a forced march into a swamp—were introduced into the court-martial of S.Sgt. Matthew C. McKeon today.

McKeon's attorney, Emile Zola Berman of New York, objected strenuously on the grounds that he already had conceded the deaths and the only purpose of the "macabre" pictures was to inflame the court-martial board.

The 31-year-old staff sergeant from Worcester, Mass., is on trial for leading the six recruits to their death last April 8 in a soggy mud flat over which water flows from Ribbon Creek at high tide.

McKeon is charged with involuntary manslaughter, oppression of recruits, drinking on duty and drinking in the presence of a recruit. All stem from the night march of Platoon 71.

As each photograph was offered in evidence, Berman objected on the grounds that they were "inflammatory and gruesome."

The law officer, Navy Capt. Irving N. Klein of New York City, said the photographs could be used only for the purpose of identification.

His ruling came after Berman said that if McKeon took the stand and the pictures were shown to him, he would submit a motion for mistrial.

"They will not be used," Klein said, "for the purposes of shaking the accused."

Yesterday the court visited the swamp-edged creek into which McKeon marched his recruit platoon.

A misunderstanding barred newsmen from accompanying the court to the creek. Since the court legally was in session, Col. Edward L. Hutchinson of Woodbury, N. J., ruled no pictures could be taken during the inspection. The order was interpreted by subordinates to mean all members of the press were barred.

Members of the court permitted pictures to be taken as the party returned from the creek. Photographers were not permitted to join the court at the water's edge.

Armed Marine military policemen stopped reporters following the group. The newsmen made a protest to the court and Hutchinson then directed the recorder to read a transcript of the remarks made at the creekside.

McKeon's former boss for recruit training took the witness stand yesterday. Lt. Col. Robert A. Thompson of Syracuse, N.Y., said a march such as McKeon ordered was maltreatment.

"Without adequate reconnaissance, without adequate safeguards . . . with full knowledge that members of the platoon could not swim," said Thompson of a hypothetical case similar to McKeon's, "it would be maltreatment."

He made the statement during cross examination by defense attorney Emile Zola Berman.

Democrat Senators Lead Canyon Bout

WASHINGTON (AP)—Democratic senators led off in debate today on the controversial Hells Canyon Dam bill, chosen by their party strategists as the vehicle for an election-year public power drive.

Sen. Murray (D-Mont.) was first in favor of the bill as the Senate met early.

The Senate met 14 hours yesterday, recessed last night at 11:46 p.m. and went back to work at 9:30 this morning.

As a three-hour debate limitation became effective, Murray was given 15 minutes to talk in favor of the bill to authorize a federal dam in the Hells Canyon of the Snake River between Idaho and Oregon, where three private power dams have been proposed.

As the legislation neared a vote its fate appeared to hinge on action of Southern Democratic senators.

Weather Erupts Near Mid-Continent Today

By THE ASSOCIATED PRESS
Locally violent weather erupted in parts of the mid-continent today. Thunderstorms growled over the Central Plains southward to northern Texas and in the mountains of Arizona, New Mexico and Colorado.

Hail, accompanying heavy rain, stripped some crops in Nebraska last night. Minor tornadoes struck last yesterday near Iowa City, Iowa; Norcross, Minn.; and Devils Lake, Hampden and Lattimore in North Dakota.

Heads for Conference Between Two Houses

WASHINGTON (AP)—A bill designed to simplify import duties, and thus encourage foreign trade, was headed today for a Senate-House conference.

The Senate passed it by voice vote yesterday. The House passed its bill nearly a year ago. The conference group will work out differences between the two versions.

Nation Undergoes Practice Alert Beginning Wednesday

Top US Officials Will Leave Capital For Secret Centers

Pettis Countians Will Take Places In Big Defense Test

WASHINGTON (AP)—Operation Alert 1956, a six-day civilian war game, starts at 11 a.m., EDT tomorrow.

During the day make-believe atomic assault will wipe out 76 U. S. industrial and military centers and some Canadian cities.

Top Washington officials and hundreds of other federal workers will leave the "doomed" capital by automobile for secret relocation centers in half a dozen states.

President Eisenhower, however, won't go with them. He's flying to Panama Friday night for a meeting of the presidents of the American republics. But he'll be back in time to participate in the last two days of the civil defense exercise.

Unlike the two previous test alerts in past years, the armed forces will take part in this one, to an undisclosed extent.

The 1956 operation also will afford a nationwide daytime test of the Conelrad emergency radio network. All television and FM radio stations will go off the air at 4:10 p.m. EDT Friday for 15 minutes.

All standard radio stations will become silent too, except those equipped for Conelrad broadcasting on 640 and 1240 kilocycles. The latter will broadcast civil defense information.

Wind conditions determine the time needed for "fallout to arrive in Sedalia after the blast. If Sedalians, after receiving a warning of such an attack, would evacuate to the south and the east in time, they would then be out of the danger area in a few hours.

CONELRAD will go into effect simultaneously with the first warning from the Air Defense Command. It is a system devised by the broadcasting industry and the government.

The Pettis County Civil Defense Organization urges every Sedalian to consider what they would do to evacuate themselves and their families in the shortest possible time.

It's a Great Time to Buy a Buick!

Buick Century 6-Passenger 4-Door Riviera

Switch the Pitch - And you Zing like a Bird

You can do it only in a Buick.

Only with Variable Pitch Dynaflo* can you switch the pitch like an airplane pilot does. Only with Dynaflo can you get a safety-surge of extra power that's smooth as a soaring bird.

Only the newest version of Dynaflo gives completely smooth, swift acceleration—even at the first gas-saving inch of pedal pressure.

Trying is believing—this new 1956 Dynaflo is years ahead of any other transmission. And it's just one of the great new features that you're missing if you're still driving an older car.

So why wait for your present car to become another year older—and considerably less valuable as trade-in—when you can take advantage of today's prices? And enjoy a car so excitingly new?

Just look at Buick's new styling. "Massive" and "grace" are words that seem almost contradictory. But they're beautifully combined in these newest Buicks. And in a classic way that will still look fresh for years to come.

Just try the newest Buick ride. It's the steadiest yet. Based on deep-coil springs, deep-oil-cushioned shock absorbers, torque-tube drive, and a long list of new developments not even Buick has ever had before.

To get a softer, more buoyant ride than this, you'd have to repeal the laws of gravity.

And to say that this is a great time

to buy a Buick is really an understatement. Come see the sensible, down-to-earth prices of Buick's tremendous range of models. Come hear the deal we can give you.

It's our deal—for your pleasure. Come draw up a chair—we're ready whenever you are.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

Sedalian Attend OES Convocation At University

The 66th Annual Communication of Harmony Grand Chapter Order of the Eastern Star of Missouri—Jurisdiction Prince Hall Affiliation F&AM convened in Jefferson City at the Lincoln University gymnasium July 10-13 with Mrs. Christina D. Richards, Grand Worthy Matron, presiding. The theme for the year was "True Friendship and Loving Kindness." The Grand Worthy Matron delivered her annual address Wednesday afternoon after which she was the recipient of many gifts.

The Jurisdiction is in excellent condition numerically and financially. Harmony Grand Chapter sent a check of \$50 to the Pettis County Cancer Fund because the GWM resides in this county.

Three days were devoted to hearing reports from various committees. The election of officers and installation were held on Friday.

Representatives from Queen City Chapter No. 47 OES were Mrs. Cleopatra Gooch, Associate Matron; Mrs. Carl Banks, DDGWM of Sedalia-Marshall District; Mrs. Victoria Dillon, P. G. Chaplain, Mrs. Erma Hogan, Mrs. Rosa Alexander, PWM, who received her 50 year gold certificate for services rendered the Grand Chapter.

Mrs. Richards will serve as Grand Chairman Committee on Foreign Correspondence. She will be the representative to the International Conference of Grand Chapters to convene in Washington, D.C., Aug. 18-24.

The Youth Councils of the Order of the Eastern Star were in session July 10 at Lincoln University library with over 300 children attending. Sponsors from Sedalia were Mrs. Ella D. Virgil, Mrs. Carl Banks, Mrs. Cleopatra Gooch, who carried the following children: Anita Foster, Queen President, of Queen City Council; Patricia Cason, Ruth Cason, William Howard Myles, Brenda Bell, Shirley Mae Jackson, Addie Mae Blackshear, Sharon Kitchen, Maurice Davis, Kathryn Moody, Yvonne Jackson, Phyllis Cason, Iris Cason, Bonnie McFerrin, Janice Nelson, Jean Carter, Shelia Carter, Dianne McGruder, Gloria Myles, Charlotte Sidnor, Edna Carter. Mothers accompanying the group were Mrs. Alexander, Mrs. Carter, Mrs. Kitchen and Mrs. Davis. The children's work consisted of work shops, guidance in music appreciation, arts and crafts, sight seeing tour of state capitol and talent program on Tuesday night.

Others attending the 90th Annual Grand Lodge session of the Most Worshipful Prince Hall Grand Lodge of Missouri over which the Grand Master Dr. Samuel E. Moore, 33 degree, presided were Clarence Flewellyn, Worshipful Master of Centennial Lodge No. 59; William Cason and Dr. A. R. Maddox.

To the 84th Annual Convocation of the Most Excellent Grand Chapter Royal Arch Masons and Grand Commandery Knights Templar were Ill. Clarence Flewellyn, Ill. C. H. Gooch, Ill. A. R. Maddox, Ill. William Cason.

To the tenth Annual Concourse of the Grand Court Order of Cyrene were Miss Marie Todd, PRC; Mrs. Orena Jackson, DDMRC; Mrs. Alma Beaver, RC; Mrs. Cleopatra Gooch, GR Music Director; Mrs. Christina D. Richards, Grand Charity Treasurer.

Mrs. Susie L. Murphy, a former Sedalian, is the Most Royal Grand Commandress of the Most Royal Grand Court Order of Cyrene of Missouri Jurisdiction.

The 1957 meeting will be in St. Louis with Mrs. Leah Mae Kincaide, GWM of St. Louis, presiding, and William H. Dowdy, Jr., St. Louis, as GW Patron.

Pilot Grove WSCS Has Program About Brazil

The regular meeting of the WSCS of the Pilot Grove Methodist Church was held at the church Friday afternoon, July 13. Mrs. Joe Rybak, president, gave the call to worship and read the Scripture and meditation. After a song, the leader offered prayer.

Mrs. J. A. Brownfield led the program on "Scatter the Seed in Brazil." Mrs. Brownfield, assisted by Mrs. Joe Rybak, Mrs. E. R. Pfeiffer, Mrs. Less Babbitt, Mrs. William Ashmead and Miss Mildred McCarty gave a dialogue explaining the daily routine of the girls at the Institute Megodista in Sao Paulo, Brazil. Mrs. Lizzie Lee gave a spiritual lesson to conclude the meeting.

Green Ridge Families Have Reunion at Park

More than 60 people from Green Ridge and formerly of Green Ridge gathered at Swope Park July 15 for a reunion, to renew acquaintances, to reminisce about old times. A basket dinner was served to those present.

Those attending from Green Ridge were: Mr. and Mrs. Harley Williams, Mr. and Mrs. Albert Upton and children, Miss DeLaine Griffith and Mrs. Nell Calvert, Windsor; Mr. and Mrs. James McCampbell and son, Don Bullock and Jim Walthall, LaMonte; Mr. and Mrs. John Williams, Mr. and Mrs. Ira Williams and Mr. and Mrs. Raymond Williams, Columbia; Mr. and Mrs. Claude Craig, Liberty; Mr. and Mrs. Floyd Cox and son and his friend, Kansas City, Independence, Lee's Summit and Raytown, Mr. and Mrs. Ernest Close, Mrs. Eva Reed, Mr. and Mrs. Sanner Davis, Mr. and Mrs. Nelson Anderson, Mr. and Mrs. Joe Baslee and daughters, Mr. and Mrs. Howard Bell and sons, J. Ira Brim and daughters, Mrs. Shirley Ann Propst, and Sarah and Mr. Brim's granddaughter Deborah, Mr. and Mrs. Jay Heck, Homer Farley, Mrs. Hazel Johnson and family, Mr. and Mrs. Roy Williams and son, Mr. and Mrs. David Farley, Mr. and Mrs. E. M. Farley and daughter, Mrs. Dorothy Raines, Miss Eileen Anderson, Mrs. Beth Denney, Mrs. Maro Storum and daughter, Mrs. Marguerite Arnold, Mrs. Edna Reno Cowden, Mrs. Viola Howard and Mr. and Mrs. Roy Johnson.

Has Pink, Blue Shower Honoring Mrs. Longan

A pink and blue shower was given on Tuesday evening, July 10, by Mrs. Chas. Gabert and Mrs. Richard Speiler at the home of Mrs. Gabert, north of California, for Mrs. Leslie Longan, Jr.

The house was decorated in the color scheme of pink and blue. The gifts were in a baby buggy decorated in pink and blue and a large stork adorning the mantle also held gifts.

After the opening of the gifts, several games were played after which the hostesses served refreshments.

Those attending the shower were Mrs. Leslie Longan, Jr., the honoree; her mother, Mrs. Lee Pope of Bel Aire, Tex.; Mrs. W. B. Hert, Sedalia; Mrs. R. L. Hert, Mrs. L. Longan, Sr., Mrs. Abe English, Mrs. Ward Johnson, Miss Jean Wegener, Miss Dwena Haldiman, Miss Helen Sappington, Mrs. Derry Brownfield, Mrs. L. B. Meyer and Dana Speiler.

Oak Point Club Meets All Day In Crole Home

Oak Point Extension Club met July 12 at the home of Mrs. Claude Crole with Mrs. Fred H. Borchers assisting. Mrs. Otto Tegtmeyer presided over the meeting, which opened with the pledge to the flag, and the 4-H pledge given by the 4-H members present.

The group voted on achievement day and on projects for the coming year. A picnic was planned for Aug. 12 at noon at Liberty Park.

There will be a special meeting to elect officers.

Mrs. Fred H. Borchers gave a talk, "Safety Around the Home," before Mrs. Otto Tegtmeyer read excerpts of Miss O'Brian's letter, which will be discussed at the election meeting. Mrs. Tegtmeyer also gave a talk about the Campbell Harrison Home.

Mrs. Willa Johnson gave the devotional. Mrs. Zimmerman's letter was read by Mrs. H. Gerken. Roll call, "How I Think We Might Assist the 4-H Club," was answered by nine members. Mrs. Herman Tegtmeyer, Mrs. Claude Hunt and family, Mrs. George Mehan, Mrs. Forest Fisher and Marlene Rumpf were guests.

Gertrude Tegtmeyer, Shirley Tegtmeyer, Virginia Fisher, Janet Minor and Connie Hunt, Oak Point 4-H girls who are in the sewing class, presented a style revue. Their leader is Mrs. George Mehan who is assisted by Mrs. C. Hunt. The dresses were very nice.

The 4-H girls judged dresses made by three extension club members under the direction of Mrs. Rumpf and Mrs. Gerken, who took training in the clothing project of simple dress construction. Mrs. Claude Crole was placed first, Mrs. Ralph Minor, second, and Mrs. Fred H. Borchers, third.

A gift was presented the hostesses from the 4-H girls. The 4-H sewing leader then presented the girls a gift for modeling.

Refreshments were served. On July 8 a watermelon feast was enjoyed at the Herbert Gerken home.

The next meeting will be with Mrs. Otto Tegtmeyer Aug. 9 for an election of officers.

Iowa Girl Wins Miss US Title

LONG BEACH, Calif. (AP)—The dark-haired daughter of an Iowa minister reigned today as the queen of America's entries in the Miss Universe contest.

Stately Carol Morris, 20, of Ottumwa, who "wished upon a star" as she entered Long Beach Municipal Auditorium last night, had that wish come true when she was named Miss United States.

The Drake University junior won out in the final judging of 16 girls who had been chosen from the original field of 43 Americans in the contest.

Twenty-nine foreign beauties will make their first appearance before the judges tonight and 15 will be selected to vie with Miss Morris for the title of Miss Universe in the final stage of the contest tomorrow.

The new Miss U.S.A. is 5 feet 7, weighs 129 pounds and has a 36-25-36 figure. Blue eyes contrast with the dark brown of her hair.

Miss Morris, who serves as a lifeguard in Ottumwa during the summer, risked her chances for success by taking a dip in the ocean yesterday and getting her hair wet.

"I couldn't do anything with it," she said. "I didn't think I had a chance to win but I did wish upon a star, the first star I saw—and it came true."

One of the most poised girls in the contest, she broke down momentarily when she was called back stage and announced as the winner.

"Oh thank you, thank you very much," she said with sobs choking her voice. "Ever since I had a chance to win I've had such a wonderful time. I just can't say—and she stopped as the sobs became too strong for her to control."

Miss Morris is the only child of the Rev. Laverne Morris, pastor of the Davis Street Christian Church in Ottumwa, and Mrs. Gertrude Morris.

Studying to be an elementary school teacher, she came to the contest without ambition to become an actress. But one of her prizes is a motion picture contract.

She said she has no serious romantic attachment at present, but she admitted there is "one boy I like pretty well."

She identified him as George Goebel of Des Moines, also a junior at Drake, where he is star athlete.

The other top-place winners in the Miss U.S.A. contest were Betty Cherry, 20, South Carolina, second; Nancy McCollum, 19, Arkansas, third; Shari Lewis, 19, Nebraska fourth; and Jo Dodson, 18 Texas, fifth.

Scouts to Mobilize For Defense Drill

In co-ordination with the regional Civilian Defense practices, the Boy Scout troops in Sedalia will be mobilized Saturday morning. At 9 a. m. they will assemble at the practice field behind Smith-Cotton High School. There they will receive definite assignments as messengers, traffic counters, and so forth, and will have practice problems in their jobs. In this first mobilization, a token group is expected from each troop.

In the event of disaster or emergency involving Sedalia, the Boy Scouts are expected to provide messenger service between radio networks and other community facilities. J. W. Kraus, district health and safety chairman, is the co-ordinator with civilian defense.

Presents Gifts At 'Freezer-Food Party'

Several gifts were presented on Wednesday evening to persons who attended the "Freezer-Food Party" held at 7 p. m. at the Anderson Heating and Air Conditioning Co., 208 East Main. The feature of the evening was a talk and demonstration on how the use of frozen foods can reduce kitchen time and permit quick and easy entertaining.

About Town

Mr. and Mrs. Charles Weller Jr. and three children have returned to their home in Louisiana, Mo., after spending two weeks in Sedalia visiting friends and relatives. Mr. Weller is manager of the J. C. Penney store in Louisiana and is a former Penney employee here. They were guests of his parents, Mr. and Mrs. C. B. Weller Sr., 916 West Tenth.

OBITUARIES

W. Henry Palmer

W. Henry Palmer, 70, Boonville, member of a prominent family of the Tipton community, died at the St. Joseph's Hospital in Boonville at 1:05 a. m. Wednesday. He had been a patient there since July 4, and had been ill with a heart condition since 1925.

He was born in Bunceton on Nov. 17, 1885, son of James D. and Mary Ellen Collins Palmer.

He lived at Pilot Grove until April when he moved to Boonville. He was married May 5, 1909 to Miss Delpha Ann Richards, who survives.

Also surviving are two daughters, Mrs. Weldon K. Frakes, New Franklin and Mrs. J. H. Bigger, staff, Boonville; four brothers, Russell Palmer and Stanley Palmer, both of Tipton; Clarence Palmer, Hughesville; and Jack Palmer, Eureka, Calif.; six sisters, Mrs. J. H. Schlotzauer, Winslow, Ariz.; Mrs. W. L. Spahr, Independence; Mrs. Clarence Cole, Odessa; Mrs. Horace Cole, Pilot Grove; Mrs. Farrie Cole, Ottumwa; and Mrs. K. J. O'Banion, California; and four grandchildren.

Mr. Palmer was a retired highway department maintenance man. He was a member of the First Baptist Church of Boonville and was ordained a deacon of the Baptist Church at Bunceton in 1912.

The funeral services were held at 2:30 p. m. Thursday at the Tipton First Baptist Church with the Rev. Glen A. Irons, pastor of the First Baptist Church in Boonville, and the Rev. Monroe Vaughan, pastor of the Tipton Baptist Church, officiating.

Burial will be in the New Lebanon Cemetery.

Palbearers were nephews, W. L. Spahr Jr., Jimmy Palmer, Beverly Palmer, F. L. Cole Jr., Frank Cole and Jerry O'Banion. The body is at the Richards Funeral Home in Tipton.

Herbert W. Maddox Services

Funeral services for Herbert W. Maddox, 1721 South Stewart, who died Tuesday while at work in his garden, will be at 2:30 p. m. Saturday at the First Baptist Church, of which he was a member. The pastor, the Rev. Thomas W. Croton, will officiate.

Burial will be in Memorial Park Cemetery. The body will remain at the Gillespie Funeral Home up to time for services.

Asks for Proof That Son Lives,

WESTBURY, N. Y. (AP)—Mrs. Beatrice Weinberger has appealed to the kidnaper of her 6-week-old son for "some positive proof to assure us that our baby is alive and you have him."

The child, Peter Weinberger, was kidnapped two weeks ago while sleeping in a carriage outside his parents' home here. No trace of him has been found.

In a statement distributed to newsmen last night, the mother said, "Money is nothing compared to the love we have for Peter."

"Please contact us in any way you choose, but make it soon," the statement read. "Fourteen days have passed and we are worried. Give us some positive proof to assure us that our baby is alive and you have him. We will follow any instructions you give us."

Earlier yesterday, a grand jury in Brooklyn indicted two men accused of trying to extort a \$5,000 ransom from the Weinbergers.

The men, Gordon T. Rowell, 24, and Robert F. Giebler, 26, both of Queens were held without bail after they pleaded innocent to charges of attempted extortion and providing false information about kidnapping. If convicted, they would face a maximum sentence of 25 years.

Presidents Arrive For Panama Meeting

PANAMA (AP)—The first of 10 presidents and presidents-elect coming to Panama this week arrived today to celebrate hemispheric solidarity and incidentally get acquainted.

Gen. Alfredo Stroessner of Paraguay flew in, two days before President Eisenhower is due to reach here to complete the list of guests for the weekend meeting.

Stroessner was accompanied by his foreign minister and seven other officials. Scheduled to arrive before Eisenhower Saturday morning were the presidents of Argentina, Brazil, Chile, Costa Rica, Cuba, Guatemala, Haiti, Honduras, Mexico, Nicaragua, Uruguay, Venezuela and the presidents-elect of Bolivia and Peru.

Reshuffle Takes Place In Illinois

SPRINGFIELD, Ill. (AP)—A sharp reshuffle has taken place in the Illinois auditor's office as investigators press for more information on at least half a million dollars in missing state money.

Orville E. Hodge, who quit as auditor under fire Monday, is in the midst of a lengthy quizzing by the state's attorney.

He spent five hours closeted with State's Atty. George Contrakon yesterday. Contrakon will continue the questioning Friday.

After the session, the state's attorney made only guarded replies to reporters' questions.

"I don't have any promises of a plea of guilty," he said. "I haven't made any promises. None were discussed."

"Nobody should draw the conclusion of no prosecution," he added. This was in reply to a question as to whether Hodge's stated intention to make restitution, to the extent of his resources, meant prosecution might be dropped.

Meanwhile, Dr. Lloyd Morey, president emeritus of the University of Illinois who was named by Gov. William G. Stratton to succeed Hodge, dismissed two Hodge aides.

He fired Lloyd E. Lane, supervisor of payroll accounts, and Thomas F. Shanahan, custodian of the auditor's warehouse, in which records are stored.

Hodge's 70-year-old replacement also said that "all relations between Edward A. Epping and the auditor's office have been terminated."

Epping was not on the state payroll but was the auditor's office manager. He received fees from the office.

Contrakon obtained, then dropped, warrants charging Epping with embezzling 15 state auditor checks adding up to \$100,000. He said he withdrew the warrants because the state checks listed on them were not found in a raid on Epping's apartment Tuesday night. Thus, he said, he had no "records to support" the embezzlement charge.

Investigators say at least 42 warrants (checks) for a total of about \$540,000 were improperly cashed by Hodge's office.

Contrakon said he planned to present the results of his questioning of Hodge and Epping before the Sangamon County grand jury Monday.

Gets Threatening Note Demanding Disposal Of Foreign Troops

BONN, Germany (AP)—U.S. Ambassador James B. Conant has received a threatening letter demanding that foreign troops leave West Germany.

Maj. Gen. Clark L. Ruffner, the top American military official in Bonn, has received a similar warning from an organization calling itself "The Fighting Assn. for an independent Germany."

This was disclosed today by the U.S. Embassy in the wake of Washington reports that a number of soldiers' families in the United States are being warned by letters that U.S. forces must pull out of this country.

The letter to Conant was printed in German. That to Ruffner was in English.

The embassy said the letter to Ruffner was identical with those received recently by other American generals and colonels in West Germany.

Chamber of Commerce To Discuss New Buses

A coffee and doughnut session, sponsored by the Sedalia Chamber of Commerce, will be held at 9:45 a. m. Tuesday in the Ambassador Room of the Bothwell Hotel. Topic of discussion will be ways and means of supporting the new bus transportation system for Sedalia.

"Public support of the new bus line is highly essential to retaining this service," stated Harry Naugel, director of the retail division of the Chamber. "All Chamber members are invited and encouraged to attend this session."

Accidents

Two cars were involved in an accident at the intersection of Tenth and Ohio about 4:29 p. m. Wednesday. There were no injuries.

Involved was a 1950 Ford driven by John Leroy Tindle, 1205 South Stewart, and a 1955 Chevrolet driven by Frederick Dale Anderson, 2909 South Ohio. The Ford was damaged on the rear portion, left fender and side, and the Chevrolet received damage to the front end.

A two-car collision at Broadway and Marshall occurred about 4:20 p. m. Wednesday, resulting in no injury.

The accident involved a 1950 Ford driven by Gerald Wayne Harrell, 911 East Ninth, and a 1950 Chevrolet driven by Lloyd Clifford Taylor, 706 East Fourth.

An auto collision occurred at 322 West Fourth about 3:40 p. m. Wednesday afternoon with no resulting injuries. A 1955 Ford driven by M/Sgt. Robert Germain, W.A.F.B., collided with a 1941 Chevrolet parked on Fourth and owned by Leroy Shoemaker, 1421 South Carr. The Ford was damaged on the left rear end and the Chevrolet received damage to the left front fender.

Herbert Fritts, 77, 507 East Tenth, suffered a fracture of the hip about 4:30 p. m. Wednesday when he fell at his home.

Mr. Fritts was working around his car according to Mrs. Fritts and as he walked around the car he slipped and fell to the ground.

He was rushed to the Bothwell Hospital where X-ray pictures were taken. Dr. John E. Lamy attended him.

Former Sedalia Engineer Resigns Warrensburg Post

W. C. Davis, former city engineer in Sedalia, has resigned as city superintendent of public works in Warrensburg.

His resignation was accepted by the Warrensburg City Council at its regular meeting Monday night. In his letter of resignation, Mr. Davis set the effective date as Sept. 15 and gave the following reasons.

"During the winter I worked up plans for this year's work and submitted them to the council for approval. When the new council took office . . . they were shown the plans and specifications on the various type work that had been approved and there were no objections by anyone.

"Now this is all being ignored and plans are being formulated from day to day, reversing their (the council's) own decisions quite often."

In another part of the letter he said, "I am not taking any responsibility for work being done because of previous commitments or obligations to various individuals on various types of work when not done according to good engineering methods."

He told the council in his letter that he would continue his duties until the effective date.

Request CAP Members To Attend Meeting

All CAP senior members are requested to attend the Squadron meeting tonight at the Armory, at 7:30 p. m., to organize the exhibit for the State Fair. Unless plans can be formulated at this meeting, there will be no exhibit by the Squadron.

The Sedalia CAP cadets have been asked to march in the State Fair Parade Aug. 18, as they did last year.

man AFB, charged with disturbance of the peace at the Green Pastures was fined \$25 and sentenced to 15 days in the city jail. He pleaded innocent.

James E. Williams, 404 East Chestnut, charged with careless driving and disturbance of the peace, was fined \$40 by Judge Willard Morris in police court. He pleaded innocent to the charge.

Williams was accused of trying to force a car with two girls in it to stop.

Electrical Failure Causes Prison Din; Citizens Feared Riot

JEFFERSON CITY, Mo. (AP)—The electrical system at the Missouri penitentiary went on the blink last night and the 2,700 convicts—all locked in their cells—made so much racket nearby residents feared a riot like the bloody one two years ago.

The prisoners shouted profanities and rattled cell doors in the darkened cellblocks of the usually daylight-bright prison.

In the fall of 1954, several inmates were killed and millions of dollars in property was burned by rioting convicts.

Officials said a cable from the prison's electrical plant shorted at about 9 p. m. when all inmates were in their cells for the night. "They couldn't do any harm," said Sgt. Clyde Tucker of the warden's office. "If necessary we could switch to city power and have the lights on again." He said it would take only a few hours to replace the cable.

A few guards were held overtime. State patrol cars occasionally cruised outside and two National Guard searchlight crews stood by with lights and generators.

The penitentiary is located four blocks from the downtown section. Residences line the other side of the street.

Takes Battle Stations In Civic Rights Fight

WASHINGTON (AP)—House members took battle stations today for the last civil rights fight of its session, expecting to pass the bill after Southerners exhaust their ample ammunition.

House passage, which might come tomorrow, does not mean the measure will become law. The bill is given no chance of passage in the Senate where a filibuster could kill it.

Even supporters of the bill conceded the Southern opposition can force at least a four-hour delay before the House so much as takes it up again today, by insisting on reading the journal of yesterday's proceedings and forcing a quorum call or two.

Once the House gets down to considering the measure, the Southerners can bombard it with dozens of amendments—and speak on each.

Egyptians Carry Ancestors' Names Over to Present Day

By DAVID HINNAWI
CAIRO (U)—Cheops was the man who built the Great Pyramid. He is also a Cairo lawyer who drives a 1956 automobile.
Many Egyptians today carry over the names their ancestors of 5,000 years ago. Nefretiti, Amenophis and Tut Ankh Amen are just as common names as Tom, Dick or Harry in the West.
A retired Egyptian general calls his sons, Hutmos, Cenephro, Amenhotep and Ahmes.
Ancient Customs however, survive most strongly today among the Egyptian peasants, especially when it comes to medicine and burial.
Almost every village has its "spitting doctor" who claims to heal the sting of a venomous insect by spitting on the inflicted part. In ancient Egypt the god

Thot was said to cure serpent bites or other injuries by spitting on the sufferer.
In Talkha village, in the Nile delta, the family of a sick person places a loaf of bread under the head of the patient to drive away the evil spirits. This custom is mentioned as far back as the 5th Dynasty and occurs in the famous Pyramid texts.
On the famous statue, in the Cairo Museum, of Zed-Hor, a noted healer, are inscribed formulae for different illnesses. This is followed by the note: "If you are suffering of an illness, you have only to pour water over my statue. The water will run into the writing and thus will have healing power. Let the sick person drink this water and he will be cured."
The power of the written word

One thing most kids are slow to grasp is a bar of soap.

as healer prevails today. In some villages, sick persons wear around their neck a prescription prepared by the holy man of the village which is supposed to cure them from their illness.
Ancient Egyptians embalmed their dead. Today in upper Egypt, where the ancient customs survive more strongly, some peasants wrap their dead in 70 meters of cloth. Such a practice is contrary to Moslem teaching which forbids the use of decorative or costly shrouds. The Prophet Mo-

ammed was buried wrapped in his own mantle.
At death the women of the deceased make their round of the village weeping and wailing, their arms and faces smeared with mud, and their hair unbound. This is exactly the same way in which the ancient Egyptians announced a death. This custom does not exist in any other Moslem country.
In modern Egypt, after the corpse has been placed in the tomb, the eldest son, usually descends into the tomb-chamber and loosens the wrappings on the body. The Pyramid texts tell of the filial duties performed by the god Horus for his father Osiris, and among them it says: "Horus comes to thee, he separates thy bandages, he throws off thy bounds."
The idea in ancient, as in modern Egypt, was to make the body free to use its organs.
More than 50 per cent of the chronically sick people in the United States are less than 45 years old.

Reports Put Pressure On Negotiations

PITTSBURGH (AP)—Reports of a presidential deadline for a settlement put new pressure on steel contract negotiations today.

Federal Mediator Joseph F. Finnegan was on hand again for resumption of the talks as the strike rolled into its 19th day.

Despite reports that President Eisenhower has indicated he will intervene unless the contract differences are settled within a week, there was no apparent progress in yesterday's talks. The session lasted two hours. There was no comment from either side.

Finnegan participated in a White House discussion where the President was reported to have gone over the situation with his top economic advisors.

Newspaper reports said the administration warned the steel companies and the United Steelworkers to iron out their contract difference within a week. There were implications, the reports said, that the administration might otherwise invoke the Taft-Hartley law.

Under the Taft-Hartley procedure, the 650,000 strikers could be ordered back on the job for an 80-day cooling off period while a government board inquired into the dispute.

Finnegan said he did not know of "anyone" setting an arbitrary deadline for settlement, adding: "The whole tenor of the talks (at the White House) was toward solving the difficulty under normal collective bargaining procedure." Finnegan said Eisenhower sent an identical message to both the industry and union. He declared the message expressed

Offers \$25 Savings Bond for GOP Slogan

WASHINGTON (AP)—Rep. Oliver P. Bolton (R-Ohio) offered a \$25 U.S. Savings Bond today to the person mailing him what he considers the best 1956 campaign slogan for the Republican party.

Bolton said President Eisenhower's phrases—"progressive moderates" and "dynamic conservatism"—haven't caught on.

What's needed, he said, is something as effective as President Roosevelt's "New Deal" or President McKinley's "full dinner pail." Deadline in Bolton's contest is July 31.

Lack of Funds Cancels Labor Day Parade

ADRIAN, Mich. (AP)—Lenawee County has canceled its Labor Day parade for 1956. Helen L. Fields, parade committee secretary, said there were two reasons: (1) unemployment has cut funds from union dues allocated for the affair, and (2) labor unions report lagging interest this year.

Concern about economic effects of the strike "but more important, for the 650,000 workers who are on strike."

Florida Farm Expert Suggests Easy Way To Get Started

TAMPA, Fla. (AP)—If you want to make between \$3,000 and \$4,000 a year farming, it will cost you between \$50,000 and \$100,000 to get started as a farmer.

There's an easier way, suggests a Florida farm expert, and that's to marry the girl whose father owns a farm.

Dr. Marshall O. Watkins, director of the Florida Agricultural Extension Service, said if beginning farmers "go in on a shoe-string, they face a life of indebtedness." Watkins said in a speech land costs have risen, seeds and pest killers cost more, and equipment and tractors have climbed in price.

Drops Divorce Action After Hearing Others

CHICAGO (AP)—An estranged couple stormed into divorce court yesterday, determined to end their marriage.

Four hours after filing suit they left arm in arm, determined they'd try and save it.

A crowded divorce calendar forced Clarence Pennington, 27-year-old clerk, and his wife Mary,

24 to wait for their case to be called.

Mrs. Pennington had wanted fast action. She said she needed support for herself and their 7-week-old daughter Susan.

Judge Walker Butler of Superior Court waived the usual 60-day cooling-off period usually applied in divorce cases. He permitted her to file a separate maintenance suit and Pennington a cross-bill for divorce, both charging cruelty.

But he told their lawyers he couldn't hear the motion for temporary support until the end of

his court call of other divorce cases.

The Penningtons sat down together in the crowded courtroom and waited. Their lawyers went about other business.

Four hours later the lawyers returned. The Penningtons had changed their minds. They said they were disgusted with the arguing and shouting—usually over petty differences—by husbands, wives and lawyers in court. They wanted to give their marriage another try.

Butler smilingly obliged and dismissed the suits.

As Williams Predicted—

Boston Red Sox Get Under Way After False Beginning

By ED WILKS
The Associated Press

After a false start, it looks as if Boston's Red Sox are on their way at last, just as Ted Williams predicted a couple of weeks back. Trouble is, they're sprinting on a treadmill in that American League race.

Williams, blaming early Sox disappointments on injuries, illness and sore arms, figured the Boston team were healthy and ready to go. And after being side-tracked by New York, the Red Sox now have won 10 of 12, skipping past Chicago into third place and to within six points of runner-up Cleveland.

They closed in on the Indians yesterday, beating Kansas City 7-3 as Mel Parnell followed up his Saturday no-hitter with a seven-hit job.

The Yankees, however, still lead the pack by a plush 9½ games—even after Detroit ended their winning streak at 11 games with an 8-4 and 4-3 double-header sweep Cleveland split at Washington, losing 7-5 and winning 11-1. And the White Sox were knocked off by Baltimore 4-3 for their 11th straight defeat—longest slump in the majors this season.

In the National there wasn't one sign of a player brawl as Milwaukee re-established its two-game lead with a 7-3 decision over the New York Giants. Brooklyn defeated second-place Cincinnati 6-3. Rain held Pittsburgh and St. Louis to a 1-1 tie called in the top of the 10th. And Philadelphia swept the Chicago Cubs 6-4 and 6-1.

Band Cheers 12-Yr-Old Mute In Soap Box Race

ELKHART, Ind. (AP)—If 12-year-old Danny Thompson takes his eyes off the track for a moment in the Elkhart Soap Box Derby Saturday he'll see a 35-piece Navy band cheering him on.

He'll have to look because he won't be hearing the music. Danny is a deaf mute.

Danny wanted his brother, Seaman Ennis G. Thompson, who is at the Naval School of Music, Washington, D.C., to be here for the race.

He wrote Ennis, who showed the letter to fellow musicians. An idea was born and grew until 35 members of the 90-man school band became Elkhart Soap Box Derby fans.

The musicians pooled their automobiles and made up a seven-car party for the 600-mile trip. The seamen are due in Elkhart tonight and plan to drive back to Washington late Saturday night, with all the time coming out of their own leaves. They will appear on a television show and will lead the derby parade Saturday morning.

Mr. and Mrs. George Thompson, parents of Danny and Ennis, had some problems too. It took some figuring, but they plan to bunk 29 of the band members at their home and the others with friends.

Mrs. Thompson has been baking pies and cakes and storing them in her freezer all week.

Danny just grins. His brother is coming home, and he gets a kick out of music, even if he can't hear it.

Bud Larson Wins Horseshoe Playoff

A Horse Shoe Tournament held at Washington Park last Sunday resulted in a tie between four "pitchers" necessitating a play-off which went to Bud Larson of Sedalia.

All four men—Raymond Morris, La Monte, Mickey McNeal, Al Buhlig and Larson, of Sedalia—won three games and lost two in the tournament.

The final results after the play-off game gave the men the following standing: Larson, Morris, Buhlig, McNeal, L. Smethers and Charles Rush, the latter two fifth and sixth.

Another tournament is to be held Sunday at Washington Park and Horse Shoe players from Sedalia and surrounding towns are invited to participate.

Detroit Tigers Snap Yank Winning Streak

NEW YORK (AP)—The Detroit Tigers sure have a knack of bringing the New York Yankees out of the clouds.

They snapped the Yankees' winning streak at 11 games yesterday, sweeping a doubleheader 8-4 and 4-3. The 11-game drive matched the longest in the major leagues this season, set earlier by Milwaukee.

The 11-game streak also was the Yankees' best since 1954 when they won 13 in a row. And it was Detroit that broke that one, too—also on July 18.

best surge since winning 14 of 16 in June 1955, have gained only half a game on New York but have packed away 8½ games against Chicago and 4½ against Cleveland.

A four-run eighth inning against Troy (1-9) Herriage kept them going yesterday. Jackie Jensen's single broke a 3-all tie and Don Buddin added a two-run double in the rally.

Paul Foytack and Frank Lary, two right-handers, chilled the Yankees. Al Kaline made a leaping stab of Mickey Mantle's two-out, two-on liner in the ninth inning of the nightcap to protect the slim lead he had provided with his 14th home run in the sixth off Maury McDermott.

Mantle, playing without a brace on his right knee for the first time since July 4, hit his 31st home run in the first inning of the opener—putting him eight games ahead of Babe Ruth's record-60 pace in 1927.

The Indians lost right-hander Early Wynn in the second inning of the nightcap when he was socked on the chin by Jose Valdivielso's line drive. Sixteen stitches were needed to close the gash. Pete Runnels and Jim Lemon homered for a 4-0 lead before Herb Score could get a man out in the opener and Ed Fitzgerald then homered in a two-run seventh that won it against reliever Bob Feller. Vic Wertz hit his 20th and 21st home runs for the Tribe.

A bases-loaded, two-out error by third baseman Fred Hatfield gave Baltimore the winning run in the ninth for the Birds' sixth straight victory. Morrie Martin, late of the White Sox, won in relief after stopping a tying Chicago rally in the ninth.

Bobby Thomson drove in four runs—two on a first-inning double and two on his 12th home run in the sixth—as the Braves made it eight out of nine.

Four runs in the first, with Sandy Amoros' homer scoring two, won for the Brooks and Carl Erskine, who needed Clem Labine's relief help. Wally Pott, who contributed a two-base error in the quick Dodger start, homered in the first. Johnny Klippstein lost it.

Dale Long's double tied it for Pittsburgh in the ninth against Vinegar Bend Mizell. The Cards scored in the sixth off Red Munger on Stan Musial's double and Whitey Lockman's single.

Philadelphia edged to within five points of the fifth-place Bucs as the onetime one-two knockout pitching punch of Robin Roberts and Curt Simmons clicked again.

Special exhibition, two innings: Sedalia Ice minor B vs. Optimist minor B.

Second major league game: Optimists vs. Lions.

Special attraction Minor League games lasting two innings are regularly being played now between the Major League games at the Little League stadium. Future exhibition games scheduled for the Minor B teams are: July 23, Rotary vs. Kiwanis and July 24, Lions vs. Elks.

The Minor A teams will then play a similar series of exhibition tilts as follows: July 25, Adco vs. Jaycees; July 26, Optimists vs. Sedalia Ice; July 30, Rotary vs. Kiwanis, and July 31, Lions vs. Elks.

All Minor League managers are asked to take note of this schedule and have their teams ready to play on the dates set for them. Questions can be answered by calling Ralph Hamlin at 3246 or Bud Gardner, Minor League commissioner, at 3333-W.

The Elks major league team defeated Rotary Wednesday night, 11-3, in a game featuring home runs by Barr and Houk of the Elks.

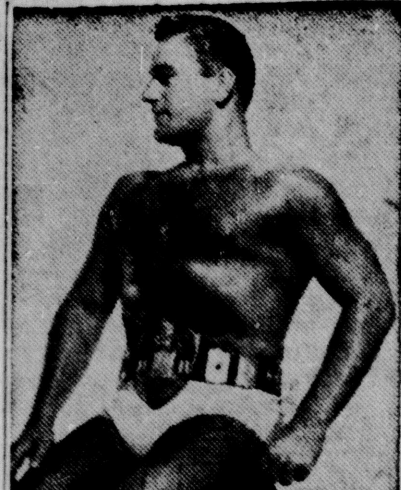

The Adco Minor B team defeated the Jaycees by a score of 6-5 in the two-inning exhibition game. Thomas and Killian were the battery for Adco and Weseloh and Ulmer were the battery for the Jaycees.

In the second major league game of the evening, the Kiwanis Little Leaguers walked over the Jaycees 15-5.

Adco "B" team plays Lions "B" team at 5 p. m. Friday, at Whittier School.

JIM DOBIE

Title Match By DeSouza, Dusek Tonite

TONIGHT'S WRESTLING CARD

At Liberty Park—8:15

MEN'S FEATURE MATCH

Mario DeSouza, 240, Lisbon, Portugal, vs. Joe Dusek, 233, Omaha. Best two out of three falls, or a 60-minute time limit. (For the Missouri state heavyweight title).

GIRLS' FEATURE MATCH

Ann Miller, 134, Cleveland, Ohio, vs. Lorraine Johnson, 137, Red Wing, Minn. Best two out of three falls, or a 45-minute time limit.

OPENING EVENT

Jim Dobie, 226, Independence, Mo., vs. Bob Barnett, 230, New York. One fall, or a 30-minute time limit.

Matches sponsored by Pettis American Legion Post.

A Portuguese mat importation may pose a problem for Joe Dusek in his defense of the Missouri state title tonight at the Liberty Ball Park.

Mario DeSouza—Portugal's No. 1 heavyweight—will pit his powerhouse wrestling measures against Dusek's villainous roughing tricks in the headline match on the summer season's first outdoor mat show which is scheduled to get under way at 8:15.

DeSouza is an internationally-known wrestler, a seasoned campaigner and now a definite threat to Dusek's continued reign as the king of the heavyweights in the Show-Me state. In accepting his first Sedalia match, DeSouza indicated that he hopes to use the Missouri title as a stepping stone toward a shot at the world championship.

Dusek's rowdy tactics have kept him constantly in hot water with the local mat fans. He roughed his way to the championship here last April when he posted a shaky triumph over "Red" McIntyre in their memorable showdown match.

Adding variety to the program will be the appearance of two nationally-rated female mat stars—Minnesota's Lorraine Johnson and Ohio's Ann Miller. Their encounter will be presented in the semi-wind-up slot. Both girls are exceptionally fast-paced battlers and their initial matching should produce a full measure of thrills like only a girls' match can.

The girl wrestlers have always remained popular here. They wrestle under the same rules as those governing men's events. Most critics seem to be of the opinion the girls are much faster in the ring than the men, although it's conceded they cannot compete in a long time limit contest. Girls matches are usually under a 45-minute limit and that will be the case tonight.

Jim Dobie of Independence, Mo., is pitted against New York's Bob Barnett in the opener. Dobie, along with McIntyre, have become the most popular heavyweights to appear here this year.

The Liberty park gates and box office will open tonight at 7:15, with the matches starting one hour later. The sponsoring Pettis American Legion post's wrestling committee has indicated that if the matches are well attended tonight it will plan to present additional outdoor cards here during the balance of the summer. The 1956-57 indoor season will open late in September.

Cardinals Lapse Into Bating Slump

By THE ASSOCIATED PRESS

The St. Louis Cardinals have lapsed into another bating slump and three straight well-pitched games have gone to waste.

Vinegar Bend Mizell pitched five-hit, one-run ball last night at St. Louis but the Redbirds collected only one run off 11 hits and the Pittsburgh Pirates got a 1-1 tie when rain halted the game in the 10th inning.

Ball Players Try to Forget Their Flareup

MILWAUKEE (AP)—Joe Adcock and Ruben Gomez—principals in Tuesday night's "hare and hound" melee—were agreed today that it would be best to forget about the incident.

And most of their teammates on the Milwaukee Braves and New York Giants seconded the motion.

National League President Warren Giles fined the Giants' right-hander \$250 and suspended him for three days and fined the big Braves' first baseman \$100 as a result of their actions in the second inning of the game won by New York 8-6 in 11 innings.

Gomez's first pitch nicked Adcock's right wrist. As Adcock, a powerfully built 210-pounder, walked toward first base the two players exchanged words. Suddenly, Adcock wheeled and charged the mound like a maddened bull. Gomez fired another ball at Adcock, who was about 20 feet away, and hit him on the left thigh.

Then he made a bee line for his dugout, dodged a block thrown by Braves' third base coach Johnny Riddle and reached sanctuary well ahead of Adcock and a swarm of Braves. Players from both sides milled about but no punches were thrown. Gomez and Adcock were ejected.

"Big Joe said last night he had 'no hard feelings toward Gomez,'"

"I've been hit four times by pitchers," he said. "I've had it up to here," he added, drawing his hand across his throat. "Sure, I got mad, but this is a new game. He probably wants to pitch again. I want to bat again. I make my money at the plate, not at first base."

"Apologize to me? Maybe I should apologize to him. As far as I'm concerned I'm forgetting about the whole thing."

Gomez, reached at the Giants' hotel during last night's game won by the Braves 7-3, said, "I've forgotten about it already." Then he added:

"Those things happen in baseball every day. They're part of the game. Supposing I go toward the first base line to cover a bunt and get spiked. Why should I get mad?"

"Adcock stands too close to the plate and he moves slow. I didn't mean to hit him."

Two of Rotary Little Leaguers Hurt Wednesday

Two Little Leaguers anxious to catch a fly ball ended up in the Bothwell Hospital Wednesday night nursing painful and severe injuries. The boys, Tommy Morgan, 12, centerfielder and Roland Zey, 11, rightfielder, for the Rotary, were dashing to right-center for a ball when they collided.

It was in the fifth inning when the accident occurred. The Rotary practically fell apart after the accident and the game was called at the end of the fifth with the Elks winning 11-4.

Zey, the son of Mr. and Mrs. A. F. Zey, Route 1, suffered slight concussion, and a severe laceration over the left eye which took stitches to close. Tommy, the son of Mr. and Mrs. W. A. Morgan, 920 East 16th, had his two front upper teeth driven up in the gums, and cut the lower lip. It was necessary to pull the two teeth, and treat the cut lip.

The boys were rushed to the Bothwell hospital by Mr. Morgan and Dr. T. J. Hopkins treated both. They were later released to go to their homes with their parents.

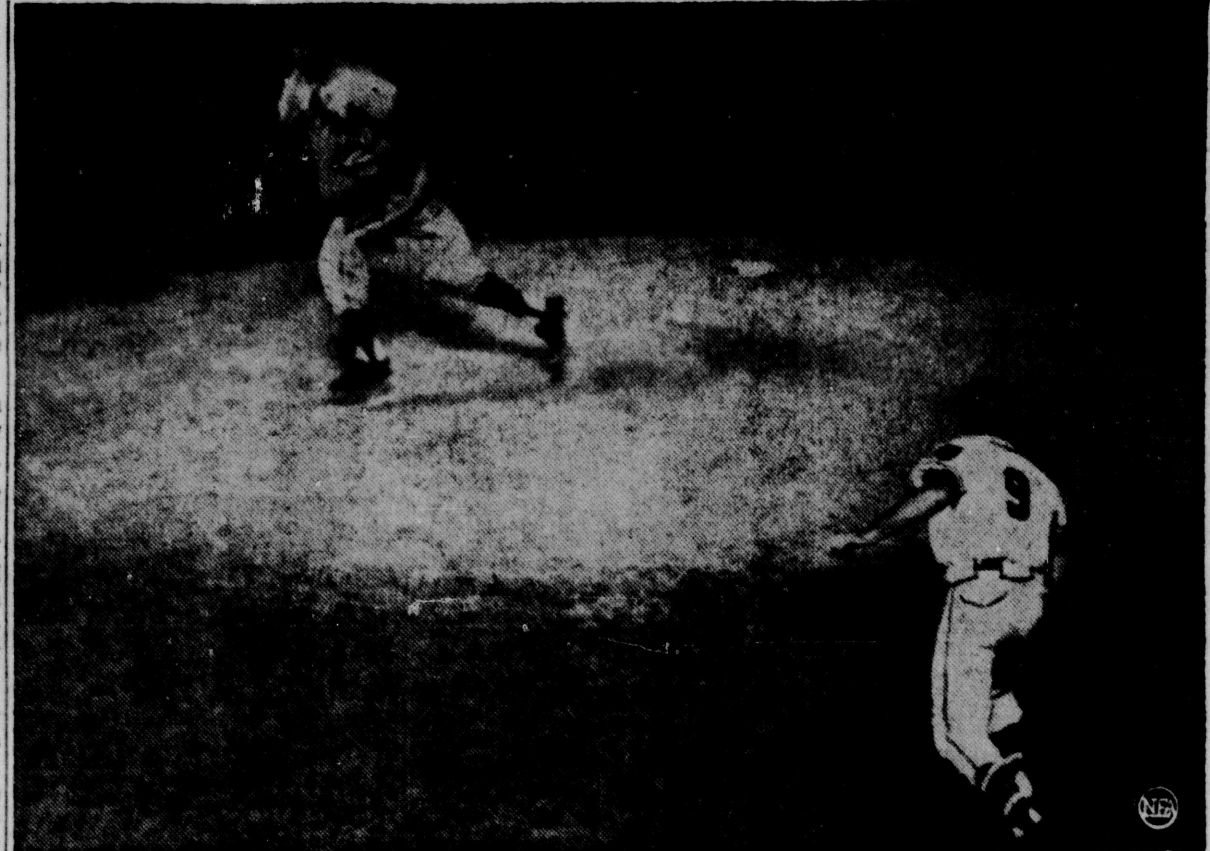

Tommy Morgan is a twin brother to Timmy Morgan, a Rotary pitcher. Timmy was not on the mound at the time. The two brothers are completing their fifth year in Little League, and graduate from this league this season.

Mullins Team Will Have Practice Game

Mullins Babe Ruth team will hold a practice game at the Liberty Park at 8:30 Friday morning. All players are requested to be there.

Bobby Jones is the only golfer to win the "Big Four" golf tournaments—U.S. Open and Amateur, British Open and Amateur.

Dave Kaiser, Michigan State end and star of the 1956 Rose Bowl game, was a fullback at Alpena, Mich., High School.

CHASE ON THE MOUND—Joe Adcock, Milwaukee Braves first baseman, takes out after New York Giant pitcher Ruben Gomez as the latter heads for the Giant dugout during a game in Milwaukee. The chase started after Gomez threw the ball at Adcock who was walking to first base after being hit by a pitch by Gomez.

At Unfinished Club—

Unsettled Question Revives Friday in Golfing Tourney

CANTON, Mass. (AP)—At an unfinished golf club, an unsettled, endlessly argued question will be revived tomorrow when play begins in the 38th Professional Golfers Assn. Championship.

That question is whether the familiar, sometimes - monotonous stroke competition or the man-against-man, sudden death match play is the best way of settling this contest, which in effect, decides the championship of all the golf professionals.

It has been argued for years, and the debate was revived as a hot issue this year when the PGA eliminated the customary on-the-scene qualifying rounds. Now 128 players—survivors of the sectional qualifying tests and top performers who qualify automatically—will get down to knocking heads on the first day—by next Tuesday only two will be left to fight it out in the 36-hole final.

The tricky 6,356-yard Blue Hill Country Club course—a bit short by ordinary championship standards—looks like an ideal place to try out a new form of tournament play.

Blue Hill lost its clubhouse in a disastrous fire last winter. Reconstruction has been going on rapidly, and the course itself wasn't harmed. But the situation as play began was such that one local observer said he wouldn't be surprised to see a player reach into the cup at the 18th and pull out a carpenter or bricklayer.

The all-match tournament, the first in PGA history, seems to be just what the 'home' pros want. And they form a big majority of the more than 3,000 members. In effect it's a private party for the

Underdog Scores Unanimous Decision In 10-Round Bout

CHICAGO (AP)—Ellsworth (Spider) Webb, an 11-5 underdog making his first 10-round start, scored a unanimous decision over experienced Holly Mims of Washington, D. C., last night in a dull televised bout in the Chicago Stadium.

Webb, 23, 1952 American Olympic champion just two months out of the Army, was the favorite on all scoring cards as he slapped Mims almost at will and got little punishment in return except in the early rounds. Webb weighed 157½ and Mims 157 for the middleweight bout.

Tigers Cheer Kaline Catch In Victory

NEW YORK (AP)—The clubhouse attendant couldn't believe his eyes and ears as he watched the jubilant Detroit Tigers come storming into the dressing room, laughing and cheering at the top of their voices.

He stared open-mouthed and blurted in a shocked tone:

"How can you guys be so happy when you have a sure win snatched right out of your hands on a Mickey Mantle home run with two out in the ninth?"

"Homer? What homer?" shouted Ray Boone, the Tigers' third baseman, "and who said we lost? We won. We just beat the Yankees in a double-header, that's what we did."

"But," stammered the attendant, more puzzled than ever. "I was listening to the radio right here in this room. They had two on and two out in the ninth with Mantle at bat. You were ahead 4-3. Then I heard with my own ears the announcer scream that Mantle hit a home run. That makes them win 6-4, don't it?"

That's the way it looked to practically all of the 23,139 spectators at Yankee Stadium too. And that's the way it looked to Al Kaline, Detroit's brilliant right fielder. But Kaline went after the ball anyway, and with a mighty last-second leap, speared it in his gloved hand just as it seemed about to clear the netting and land in the right-center field bleachers for a home run.

"When Mickey hit it," Kaline said later, "I was sure it was a home run. But you don't give up until it's over the fence. It was not until the last second that I realized I had a chance to get it. I jumped up as high as I could and the ball landed in the glove. I don't know whether the ball would have gone over the netting or not, but I do know I hit the scoreboard wall as I came down."

The magnificent catch climaxed a thrilling afternoon for the Tigers who swept both ends of a double-header from the league-leading Yankees 8-4 and 4-3 behind the effective pitching of right-handers Paul Foytack and Frank Lary.

Unknown Creates TV Commercials

By CHARLES MERCER

NEW YORK (AP)—Everyone who has watched television has viewed the creations of Valentino Sarra. It's ironic, therefore, that scarcely anyone knows of his existence except his family, friends and business acquaintances.

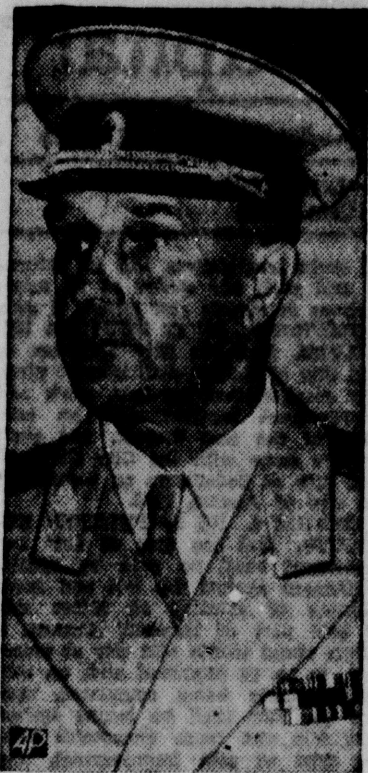

A man tracked him to his studio the other day and found him to be an intense, intelligent, carefully dressed man, surrounded by experts, plans and photographs and much harassed by phone calls. An artist, you'd say; a perfectionist. That is true. He was and is a distinguished photographer. But he was neither as harassed nor as wealthy before he began producing TV film commercials.

Now his company, composed of 100 persons in New York and Chicago studios, makes 300 film commercials a year, ranging from eight seconds to two minutes. It takes six weeks to produce a one-minute commercial, says Sarra. But he prefers eight weeks to turn out a job of high quality. And what is high quality in a TV commercial?

"We try to make a commercial as simple as possible," Sarra said. "Simplicity is a virtue in art, life—and commercials. Much commercial advertising on television is still too complicated. Often that's because a sponsor is trying too hard."

Sarra's organization turns out commercials for products ranging from gum to automobiles, from soup to railroads, from beer to banks—do say nothing of shirts, cameras, pharmaceuticals, cigarettes, bread, baby foods, toothpaste, magazines, watches . . . The list is endless.

To demonstrate what he meant by simplicity Sarra ran off on a projection screen one of his recently completed commercials for a soft drink. It being a hot day in New York, the commercial made pleasant viewing. There was no great hoopla about it. A few

brief words while a hand dropped a scoop of ice cream into a glass and then poured in the soft drink. It was frosty, bubbly, cold.

"What was really in the bottle?" asked Sarra's visitor. His brows rose in surprise. He named the soft drink he was advertising.

"The straight product almost always photographs better," he said. "Faking absolutely doesn't pay. It's strange how realism makes a better commercial, how it photographs better. A real flower, for example. That sense of realism, of truth comes through in everything."

Colleen Miller Goes Between Two Homes

By BOB THOMAS

HOLLYWOOD (AP)—A pretty Colleen Miller could be named the queen of the airlines. She commutes between a Chicago home and a Hollywood career.

Strange things are always happening to this cute brunette. So it doesn't seem odd to her that she could have a home and a career 2,000 miles apart.

The reason: she is married to Ted Briskin, former husband of Betty Hutton and head of a big camera concern in Chicago. She is also a promising young actress with Universal-International Studios but now being loaned out to MGM for "Capital Ounce."

"It works out very well," she says. "We have a house here and a house on the lake front in Chicago. When I'm working, I stay here. The rest of the time I remain in Chicago. I have two sets of clothes, so it's no trouble going from one home to the other."

How does her husband feel about it?

"He thinks it's wonderful. He loves Hollywood anyway. I was thinking of quitting my career when our daughter, Robin, was born seven weeks ago. But Ted said that wouldn't be fair to me or Robin. He pointed out that if I quit I might be bored and frustrated with being just a housewife."

As I pointed out, strange things have a way of happening to Colleen. Born in Yakima, Wash., she went to high school in Portland, Ore., graduating at 16. She had been dancing since an early age

and decided to seek her fortune in Hollywood.

So, all alone at 16, she took a bus to the glamor capital. She knew no one here except a dance director. That turned out to be a good contact, and she landed in a dance troupe that toured the continent.

While dancing in Las Vegas, a

Danger Afoot Around That Swim Pool

By Dorothy V. Whipple, M. D.
AP Newsfeatures

Athlete's foot is a skin disease of the feet. It is caused by a fungus and is a type of ringworm. It is very contagious. It can be picked up by walking barefoot over a damp surface where the fungus is lurking.

The most frequent places where children (and adults too) get athlete's foot are at swimming pools and especially in the locker rooms or shower baths.

The fungus is killed quickly in bright sunshine, so the edges of the pool or a beach are less of a hazard than the indoor rooms.

Once one member of a family becomes infected with athlete's foot, it can be spread to the rest of the family from the bathroom floor. The fungus loves warm moist places.

The fungus of athlete's foot makes cracks between the toes. These cracks become angry and red, small water blisters appear. When they burst the skin is raw. The toes itch and burn. A rash on the foot itself may appear and in severe cases this rash spreads rapidly up the whole leg. Sometimes the itching leads to scratching and further infection. Once in a while the scratching transfers the infection to the hands.

Do not neglect athlete's foot. It will not get well by itself. If you see the signs of little cracks between the toes, go immediately to the doctor. It's much better to let him prescribe than to try any of the many preparations you see widely advertised. While you're waiting to get an appointment, wear white cotton socks — fresh daily. Keep the feet extra clean and dry and DON'T scratch.

Most good swimming pools do the best they can to prevent athlete's foot, but no measures are 100 per cent perfect.

One of the first things you can do is keep your shoes on if you have any suspicion that you have athlete's foot. Don't go to a pool and use a locker room and be the cause of others catching your infection. It doesn't take long to cure athlete's foot, once treatment is started. While you're waiting for your own recovery, be careful of others. If everyone did this we'd have less athlete's foot.

Because some people will be careless, protect yourself and your children by wearing disposable paper slippers or open wooden clogs while you're in the locker rooms or shower baths.

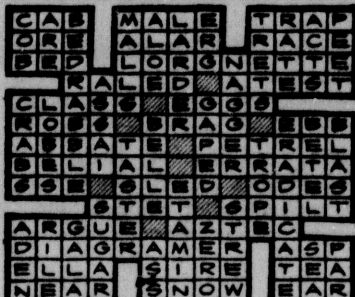

Don't use other people's towels. Foot baths containing fungicidal solutions placed in shower rooms are not of much value unless the solution is changed constantly.

A good practice for a foot bath is a container of the special solu-

Chandler Says Deadlock Will Give Him Chance

HUNTINGTON, W. Va. (AP) — Gov. A. B. Chandler of Kentucky says he has the best chance for the Democratic presidential nomination if a deadlock develops in the national convention.

"I don't have much chance for the nomination unless a deadlock develops," he said in a campaign speech here last night, "but if the haystack does catch on fire, I expect to be there with a pitchfork."

Chandler, former senator and onetime commissioner of baseball made a flamboyant bid for West Virginia's 24 convention votes in a five-hour visit to this city, right across the big Sandy River from his home state.

He arrived at the head of a retinue of Kentucky supporters and officials in a horn-tooting motorcade for a press conference, reception, television appearance and speech.

In his address, he urged voters

to "let President Eisenhower go back to his farm for the rest and peace that he has earned."

"If the President heads the Republican ticket again and his health is not too good," he added, "you may be voting for Richard Nixon for president."

Earlier, he told a news conference he plans a tour of Iowa, South Dakota, North Carolina and possibly Nebraska, Kansas and other states in quest of delegate support at the convention opening in Chicago Aug. 15.

"I have a pretty good knowledge of how the presidency ought to be operated," he said, "and I think my record entitles me to major consideration."

Maag Tells Lions About Astronomy

The Sedalia Lions Club at its noonday meeting Wednesday heard a report on the Sedalia Junior Astronomy Club which has been organized through the efforts of Russell C. Maag.

They were also told by Maag of the new telescope which has been purchased for the young astronomers to use. It was on display and its operation was explained by the speaker. The new telescope is an eight-inch mirror diameter Newtonian-type reflector telescope.

He also explained the participation of Sedalia in the watching and

study of the satellites to be launched in 1957. He explained a coordinating plan which will start in Colorado and carry on through to Peoria, Ill.

Abe Silverman was in charge of the program and introduced Maag. President Bob Cain called upon the Rev. David M. Bryan, who is moving away from Sedalia to Chicago. Rev. Bryan said, "I came here seven years ago and shortly after my arrival I became a member of the Lions. It has been seven grand years in Sedalia, and we take with us wonderful memories of Sedalia and my association with the Lions." Rev. Bryan explained it was his last meeting as he would be preparing the next two weeks in leaving Sedalia and would leave for a trip to Russia and then return to Chicago.

John Craig was introduced as a new member of the Lions Club by Bob Moore.

Four Persons Watch Man Steal Two Fans

FRANKFORT, Ky. (AP) — With four persons watching, a man drove an auto through an alley, snatched two new electric fans from the loading platform of a store and escaped before any of the onlookers could stop him.

Virgil Herrick, general chairman of the annual Lions ice cream social to be held on Friday, Aug. 3, gave a report on the activities of his committee.

Sticker Is Given For Safety Check Of Automobiles

A safety-check sticker is presented to every motorist in the Sedalia area who has his automobile inspected for safe driving. W. E. Kipper, manager of Standard Oil Co., said today.

The eight-point safety-check will show whether safeguards on every automobile are working properly or need repair, Kipper said. "This inspection is available at any time without cost as a public service," he added. "Any motorist who wants to be sure his headlights, tail lights, directional lights

and windshield wipers work properly, can have them checked whenever he wishes."

The safety-check sticker issued at dealer service stations shows the date and mileage of each inspection. It serves as a reminder

that periodic safety inspections are necessary.

The service also includes specialized windshield and rear window cleaning; checking of tires for proper pressure, battery water and cables, and steering column lubri-

cant level; and inspecting the fan belt, cooling system, radiator and hose connections, and the exhaust system.

Trucks take 99 per cent of U. S. tobacco to market, 97 per cent of the milk and 91 per cent of the grain.

Another Woman?

HEMET, Calif. (AP) — Druggist Hal Longacre is slightly puzzled by a letter received from a woman to whom he sold some medicine. "Since taking the medicine," she wrote, "I am another woman. Needless to say, my husband is delighted."

Mr. and Mrs. Pope to Reside In Biloxi, Miss.

By Mrs. York Finley

MARSHALL JUNCTION — Mr. and Mrs. Marvin Wilhite and family and Mrs. J. M. Wilhite attended a family dinner recently at the home of Mrs. Margaret Pope and son, Charles, in Marshall honoring Mr. and Mrs. John Pope who are leaving Marshall soon for residence in Biloxi, Miss.

Miss Stella Ann Wilhite went to Salisbury recently with Mrs. Wilmer Scott and son, Mrs. Bell Cromley and family of Marshall to visit Mrs. Scott's mother, Mrs. Erickson.

Mrs. Wayne Stodman and three daughters of Butt, Mont., arrived Saturday for a two-week visit with her aunt, Mrs. Jerome Younger, and other relatives.

Mrs. George Menderhausen, Bakersfield, Calif., will arrive Friday to spend a week with her aunt, Mrs. Jerome Younger, and family. She was in Miami Beach, Fla., last week attending the National Federation of Business and Professional Women's Clubs. She is membership chairman for the state of California. Cantaloupe and Mint Are Refreshing

By CECILY BROWNSTONE
Associated Press Food Editor

Want to whip up a cool and refreshing taste-treat? Then try a mold of jellied lemon and orange juice flavored with mint; add pale apricot-pink cantaloupe balls so they will be suspended in gleaming splendor.

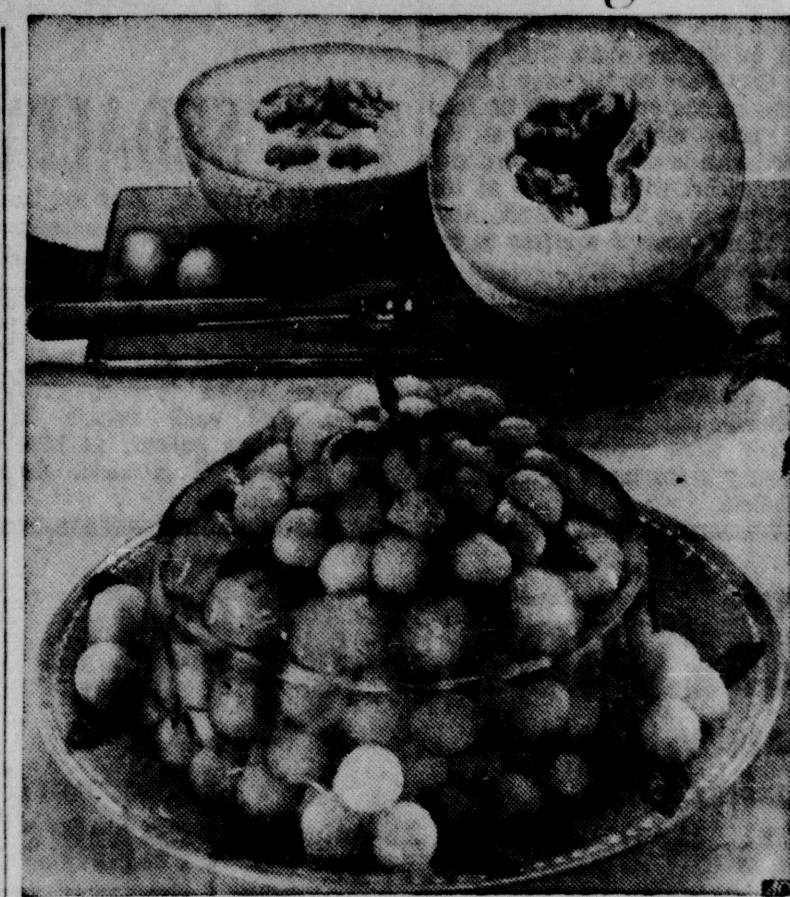

Serve this mold at your best company buffet. Cold ham and hot biscuits will accompany it beautifully. Add a bowl of romaine and water-cress sprigs dressed with olive oil, wine vinegar, prepared mustard and, if you like, a touch of garlic.

For a first course on this menu, creamy clam chowder sprinkled with chives is perfect. Serve the soup hot or cold. For dessert offer both vanilla and coffee ice cream with a coffee or chocolate sauce. Or if you're energetic, serve a home made mousse or Bavarian Cream instead of the ice cream, making it coffee, chocolate or maple-syrup flavor. Crisp cookies and coffee (hot or iced) will top off the dessert course delightfully.

MINTED CANTALOUPE MOLD.

Ingredients: 2 envelopes unflavored gelatin, 1/2 cup cold water, 3/4 cup hot water, 3/4 cup sugar, 1/2 teaspoon salt, 1 1/2 to 2 tablespoons coarsely chopped fresh mint, 3/4 cup fresh strained lemon juice, 3/4 cup cantaloupe juice or cantaloupe juice and water, 1 cup fresh strained orange juice, 2 1/2 cups fresh cantaloupe balls, fresh mint leaves for garnish, 2 cups cantaloupe balls for garnish if ring mold is used.

Method: Soften gelatin in cold water and set aside. Mix hot water and sugar, salt, chopped mint and 1/4 cup of the lemon juice. Heat to boiling point; strain and pour gelatin into a bowl. Stir until dissolved. Strain cantaloupe juice from pulp around seeds. Pour into a cup and add enough water to make 3/4 cup. Add to gelatin with remaining 1/2 cup of the lemon juice and the orange juice. Refrigerate, stirring often, until mixture is about as thick as fresh egg whites and has begun to set. Fold in the 2 1/2 cups cantaloupe balls. Turn into a 5-cup mold. Chill until firm. Unmold and garnish with mint leaves; if ring mold is used, fill center with 2 cups cantaloupe balls. Makes 8 servings.

REFRESHING FLAVOR AFFINITY—Cantaloupe and mint.

tin; stir until dissolved. Strain cantaloupe juice from pulp around seeds. Pour into a cup and add enough water to make 3/4 cup. Add to gelatin with remaining 1/2 cup of the lemon juice and the orange juice. Refrigerate, stirring often, until mixture is about as thick as fresh egg whites and has begun to set. Fold in the 2 1/2 cups cantaloupe balls. Turn into a 5-cup mold. Chill until firm. Unmold and garnish with mint leaves; if ring mold is used, fill center with 2 cups cantaloupe balls. Makes 8 servings.

Note: If you haven't a French ball cutter, use the 1/2 teaspoon size from a set of round-bowl measuring spoons to make the cantaloupe balls.

FOR WEIGHT WATCHERS

Despite cantaloupe's satisfying hint of sweetness, half a melon contains only 37 calories. The melon is high in vitamins, particularly vitamin A.

Lamine Association Groups Have Meeting

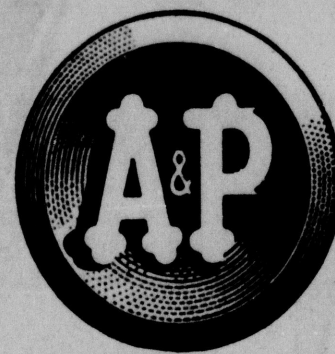

The quarterly meeting of the Lamine Association WMU and Young Peoples Meeting was held at the Otterville Baptist Church Tuesday evening, July 10, with more than 80 present. Mrs. Bob Potter, Syracuse, presided, and Mrs. Lawrence Liechel, Boonville, was pianist. The meeting opened with the YWA hymn. After each auxiliary gave the watch word, the RA song was sung. Roll call of the different churches represented was given and reports were made. The GA and RA camp at Hollister Hill was emphasized. "Jewels in Service" was given by the Versailles RA's. The Syracuse GA intermediates spoke on different emblems of organization. After the offering the GA song was sung. The meeting theme was "Making Our Homes Safe for Our Children."

The guest speaker, the Rev. William Setzer, Jefferson City, spoke on "Christian Civic Foundation," and on problems arising from drinking. He pointed out how liquor causes trouble in the home as well as on the highway. The meeting closed with prayer by the Rev. J. M. James, associational missionary.

American Indians own about 400,000 cattle and make a livelihood from the sale of livestock and livestock products.

Had Potluck Supper At A.W. Hampys

By Mrs. Henry Junge
COLE CAMP — The Who-so-ever Sunday School Class of the Methodist Church enjoyed a pot-luck supper at the country home of Mr. and Mrs. A. W. Hampy.

Sheryl Ann Poese, Waverly, spent last week with her grandmother, Mrs. Lena Eickhoff.

Mrs. Lena Eickhoff and Mr. and Mrs. Harold Eickhoff, Baltimore, Md., spent Monday in Independence with Mr. and Mrs. Marvin Eickhoff. Mr. and Mrs. Harold J. Eickhoff and children have returned to Baltimore, Md., after spending a two-week vacation at the home of Mrs. Lena Eickhoff. Harold is the son of the latter and is employed by the Air Research Development Command of the Air Force at Baltimore.

Mr. and Mrs. Bill Tubising and children, Oregon, Mr. and Mrs. Dailey Linville and family, Mr.

and Mrs. R. J. Tobaben and family, Mr. and Mrs. Clarence Eickhoff and Mr. and Mrs. Frank Tubising, Sedalia, were supper guests recently in the home of Mrs. Emma Tubising.

The Rev. and Mrs. Elmer H. Kuhlmann and daughters spent several days in Dubuque, Ia., before they attended the Luther Academy.

Mr. and Mrs. Cody Kirby left one day the past week for Kokomo, Ind., where Mr. Kirby is employed.

Mr. and Mrs. Charles Ficke and daughters, Kansas City, spent the weekend with Mrs. Theresa Postel. Charles Ficke returned to Kansas City Sunday but Mrs. Ficke and daughters remained for a longer visit.

Mr. and Mrs. A. H. Zimmer-schied and daughter visited Thursday and Friday with Mr. and Mrs. Courtney Smith and family.

Mrs. Claude Battman and mother Mrs. Anna Lumpe, Odessa, and Mrs. Jack Waller and children, El Sabronte, Calif., called in the homes of Mr. and Mrs. W. H. Lumpe, Mrs. Kate Muller and family and other relatives around Lincoln Sunday.

Jerry Wischmeier, who is attending St. Louis University spent the weekend with relatives and friends. Miss Orleen Eickhoff, Kansas City, spent the weekend with her parents, Mr. and Mrs. C. J. Eickhoff.

Mr. and Mrs. Otto Dieckman, Sedalia, visited Sunday evening in the home of Mrs. Kate Bockelman and mother, Mrs. D. A. Dieckman.

The average person who looks under the hood of a car knows as little about it as the old-timer who used to look in a horse's mouth.

ANAHEIM, CALIF.

FLAVOR'S BETTER... THEY'RE EASIER TO MAKE... AND YOU GET MORE!

UNCOOKED JAMS... made with the amazing new recipes developed exclusively by M.C.P. JAM AND JELLY PECTIN... are becoming more popular all the time with home preservers. And no wonder — these so-easy-to-make M.C.P. uncooked jam recipes eliminate the usual cooking and boiling which, no matter how short, cause loss of flavor and color, and reduce yield! With M.C.P.'s uncooked recipes you actually use less fruit and sugar yet get more jam, for nothing is cooked away... and you get jams with ALL the fresh fruit flavor, not just "more of it"! You can make M.C.P. uncooked jams with fresh fruits in season... or with frozen berries anytime... for less than 15¢ a half pound. Try M.C.P. uncooked jams and see the difference. Complete recipes in every package (3½-oz.) of M.C.P. PECTIN. (Recipes for finest cooked jams and jellies, too, if you still prefer them.)

YOU NEVER SAW SUCH CLEAR, COLORFUL, SPARKLING JELLY... AND SO EASY TO MAKE!

SO MUCH JELLY, TOO, from a given amount of fruit! All this is yours simply by using the unique M.C.P. juice-pressing method that gives you more than twice as much juice... thus, more than twice as much jelly... than ever before from the same amount of fruit! What's more, this abundance of juice is so fully clarified that when you make it into jelly, with dependable M.C.P. PECTIN, you get not only the most delicious but, also, the clearest and most beautiful jelly imaginable. To get this remarkable M.C.P. juice-pressing method (and the M.C.P. Jelly Making Set to use it with), send \$1.00 cash or stamps and 3 M.C.P. Pectin package fronts to M.C.P. Kitchen Laboratory, Anaheim, Calif. You'll more than get your money back in extra juice and jelly the first time you use it!

Cool! Quick! No baking or cooking!

New "Lemon Whirl" Pie-made with fresh-tasting TOPIC and CINNAMON CRISP grahams!

COOL 'N' QUICK, our new Lemon Whirl Pie will be your favorite summertime dessert! So "lemony"-flavored, so creamy-whipped, so crunchily-crust!

The secret of the "no-bake" crust is Cinnamon Crisp grahams. You'll love the crispy texture and spicy cinnamon flavor!

Secret of the "no-cook" filling is fresh-tasting Topic. Topic whips quickly and easily—blends smoothly with the fruit gelatin to bring out the full lemon tang — and costs only 1/6 as much as expensive whipping cream!

Has our new Lemon Whirl Pie made your mouth water? Here's the recipe—now go to it!

LEMON WHIRL PIE

(Makes single crust 9" pie)

1 3-oz. package lemon gelatin
¾ cup hot water.
¼ cup sugar
1 cup undiluted Topic

¾ cup lemon juice
1 teaspoon grated lemon rind
9-inch Cinnamon Crisp graham crust*

Mix gelatin, hot water and sugar together; stir until dissolved. Cool until gelatin is thickened and syrupy (about 25-30 minutes). Chill Topic in refrigerator tray until crystals form around edges of tray (15-20 minutes). Whip stiff (about 1 minute); add lemon juice. Continue whipping until very stiff. Mix whipped Topic, gelatin and lemon rind together. Pour into crumb crust. Chill about 1 hour or until firm. Top with remaining crumbs.

*FOR CINNAMON CRISP GRAHAM CRUST: Mix 1½ cups cracker crumbs (Cinnamon Crisp or regular grahams), ¼ cup melted butter and 2 tablespoons sugar together. Line sides and bottom of 9-inch pie plate, saving ¼ cup crumbs for pie topping.

TOPIC IS PERFECT FOR COFFEE "CREAMING" AND COOKING, TOO!

This Man Was a General, Governor, House Speaker

By the State Historical Society of Missouri

This adopted Missourian served as speaker of the house in the state legislature, representative in Congress, and Missouri governor; commanded a Missouri regiment in the Mexican War; and supported the Southern cause as a major general in the state guard and in the Confederate Army during the Civil War. Do you know his name?

1. What was his early background?
A. He was born September 11, 1809, in Prince Edward County, Virginia, attended Hampden-Sidney College, and studied law under an eminent Virginia jurist. In 1831 he came with his family to Fayette, Missouri, where he engaged in the tobacco commission business, then ran a hotel in Salisbury, and later became a Keyesville merchant. In 1848 he bought a farm on Bowling Green prairie near Keyesville, which was his home for most of the remainder of his adventurous life. He married Miss Martha Head, a Randolph County girl, in 1833.

2. How did he begin his public career?
A. He represented Chariton County in the state legislature from 1836 to 1838 and from 1840 to 1844.

General in Two Wars and Governor of Missouri, 1853-1857

serving as speaker of the house during his last four years as a legislator. Elected to Congress in 1844, he resigned two years later to accept a commission to raise and command the Second Missouri regiment of Mounted Infantry in the Mexican War. With 1200 men, he arrived in Santa Fe in September, 1846, to find Colonel Alexander Doniphan in command of the American forces in New Mexico. A few months later, after Doniphan's departure, he assumed command of these forces and for his successful campaign in suppressing a Mexican and Indian revolt against American rule he was commissioned a brigadier general and made military governor of Chihuahua.

3. What did he accomplish as governor of Missouri?

A. Elected governor of Missouri in 1852, during his 4-year term railroad construction grew apace, the Bank of the State of Missouri was re-chartered, the first appropriation from the state revenue was made for the support of public schools, the school system was re-organized, and titles were secured for swamp lands granted to the state by Congress in 1850. After the close of his term as governor,

he served the state from 1857 until 1861 as bank commissioner.

4. What was his Civil War record?

A. In the trying days before the Civil War he was one of the most beloved and trusted men in Missouri. As a Douglas Democrat opposed to secession, he was chosen president of the 1861 State Convention, elected to determine Missouri's relation to the Union. But after the capture of Camp Jackson by General Lyon he resigned from the convention to accept a commission as major general of the pro-Southern State Guard and led his troops to victory at Wilson's Creek and Lexington. After his defeat at Pea Ridge, in 1862, he and his troops joined the Confederate Army, participated in the battles of Helena and Corinth, and led the last raid into Missouri in 1864 in a final effort to save the state for the Confederacy.

5. What did he do after the war?
A. He obtained a grant of land in Cordova, Mexico, from Emperor Maximilian with the hopes of establishing there a colony of ex-Confederates. After the overthrow of the Maximilian government he returned to Missouri in 1867, residing in St. Louis until his death September 29, 1867.

6. How is his memory honored in Missouri?

A. His bronze statue, erected by the state, was unveiled at the Price Memorial Park in Keyesville on June 17, 1915.

7. What was his name?
A. Sterling Price.

Lamine 4-H's Meet

The Lamine 4-H Club met at the school July 13 to make plans for the local achievement night. Billie Raines gave an interesting talk on judging dairy cows.

There were 14 members, four visitors and three leaders present. The next meeting will be at the community center when plans will be made on what to take to the State Fair.
